

## USE THIS GOSPEL W3

The Gospel. It is one of the most dynamic, powerful, and redemptive stories of love, grace, and mercy. It is a story of Jesus and how he gave the world freedom and new life. It is a story that can change our lives forever. But this story is also an invitation from God that we can accept or reject. So whether you have never heard the gospel or you have been in church all your life, or somewhere in between, throughout the next few weeks we will be unpacking the powerful, simple, life giving gospel and how to use this gospel to change the world.

**Illustration // Tell about something's that are essential that you can't live without.**

- In the same way we can't live without any of these things, we can't live without the daily use and lifestyle of the gospel.

The title of today's message is 'For Daily Use'

Scripture // **Revelation 12:10-11 NIV**

**"Now have come the salvation and the power and the kingdom of our God, and the authority of his Messiah. For the accuser of our brothers and sisters, who accuses them before our God day and night, has been hurled down. They triumphed over him by the blood of the Lamb and by the word of their testimony**

**MAIN POINT //** The Gospel is not just the starting point of our faith, it's the central point of our faith.

**The Gospel is for us, everyday.**

- In Rev 12 it speaks of this accuser that comes against the brothers and sisters and that he has been hurled down.
- We also see that these people are overcomers by the blood of the lamb and the word of their testimony.
- The truth is, we are the brothers and sisters in this story and the enemy who comes against us has lost. He is defeated!

**APPLICATION //**

- The gospel is not just a story. It's not just a one time thing we believe in. The gospel is not something that should never get old. It is our foundation. For Daily Use.
- The gospel and our testimony (our story of how God is working in our lives) is our victory and triumph over the enemy and whatever comes against us.

**How to apply the gospel daily //**

- Remember - Talk about what God has done and what he's doing with other believers.
- Remain - Meditate and Read God's word.
- React - Through the ups and downs of life, react through the lens of the gospel.

**The Gospel is for others, everyday.**

- How can others overcome this world without the blood of the lamb and the world of their testimony? And how can they know if you don't share it?

- Romans 10:14 - How then will they call on him in whom they have not believed? And how are they to believe in him of whom they have never heard? And how are they to hear without someone preaching?

APPLICATION //

- Your words, your actions, your deeds speak volumes of God's love, grace, and power that others need.

How to share the gospel daily //

- Be Ready - Remember, Remain, React everyday. You will start to see opportunities and be in the right mindset and heart to share the gospel and your story.
- Be Normal - Don't be awkward and cringey. Just talk to people and normal start convo.
- Be Bold - When the Holy Spirit gives you the opportunity to speak life to others, JUST DO IT! Don't be afraid to step out of your comfort zone and talk about Jesus!

Challenge // Invite everyone you know next week for HOMECOMING NIGHT!

Altar:

- Salvation
- Action step that involves everyone.
